

Kentucky Executive Mansions Foundation, Inc.

**CASH CONTRIBUTIONS  
KENTUCKY EXECUTIVE MANSIONS FOUNDATION, INC.**

**The Kentucky Executive Mansions Foundation, Inc. welcomes cash contributions on behalf of the Kentucky Mansion Celebration Project. Contributions will be accepted in sponsorship of various areas of the Mansion, and will be restricted for that purpose.**

**In designating your contribution for a specific area of the mansion, the area coordinator responsible for that area will have access to those funds under the terms and conditions used for cash expenditures by the Kentucky Executive Mansions Foundation, Inc. (KEMFI). If that area coordinator does not use the funds, or for some reason does not complete the project, these funds will be designated by KEMFI to the area or project where there is the most need.**

**We appreciate your support. KEMFI is a Section 501(c)(3) organization and your contribution will be eligible for a charitable contribution deduction. To the extent that you receive anything of value in exchange for your contribution, such as event tickets, signage, etc., your contribution may be reduced by the value of these items. We will advise you of the value of these items as we are able to determine them.**

**Thank you for sharing our excitement about this project. The citizens of the Commonwealth have shown wonderful support of this valuable and important project.**
